

## How to Infuse Smoke into your Favourite Spirit:

- Prepare your favourite cocktail in a glass
- Torch the wood infusion card of your choice until flame ignites and wood begins to char (5-15 seconds) **\*BE CAREFUL\***
- Cover glass quickly with torched side of infusion card
- Let the smoke infuse into your cocktail (30-60 seconds)
- Lift card and take in the aromatic smokey flavours
- Enjoy your smoke infused cocktail!
